Pistol Kathy Pell 562-9393
Archery Charlie Carlo 561-4930

As of today the club has not heard anything more from the EPA and we are open for business as usual. We do have a Committee and a Sub-Committee in place. They are meeting regularly and have the Stewardship Plan outlined.

Club Hours: For Spring and summer we will be open on Wednesday, Saturday and Sunday from noon till early evening. The Indoor Range and Archery Course are open during these hours. In winter months the Indoor Range is open on Tuesday evening for rifle and Wednesday evening for pistol. The archers meet every Thursday evening during the summer and shoot in the indoor range on Monday nights in the winter.

Extra Clay Target Shooting: one Friday night a month we will offer shooting from 6:00 to 8:00 PM. This will be on May 6, June 10 and July 29. All are welcome.

Beginners Night: Starting Wednesday May 4 from 5:30 to 7:30 PM the club is welcoming women, youth and new shooters to come and try the sport of trap target shooting in a relaxed atmosphere. Someone will be on hand to provide Safety and Basic shooting instructions. Please spread the word to all those people you know who have expressed an interest in trying this sport. This will not be offered the second Wednesday of the month.

Club Meeting: The regular monthly club meeting is held the second Wednesday of the month at 6:30 PM in the clubhouse. No February meeting. All members are welcomed to attend.

Trap Handicap League: The annual Trap League will start with Qualifying on May 25, 2005. This is a fun league, which usually runs for ten weeks. You are required to shoot 25 targets from 16 yards and 25 targets from 21 yards weekly. The teams are formed by draw. Because this is a handicap league you do not have to be an experienced shooter to join and have some shooting fun. If you cannot shoot all of the ten weeks your average is used when you are absent.

The fee is \$20.00 and the targets are \$2.50 per round. All money is awarded at the league party. The Sign up sheet will be in the clubhouse.

Fun Shoot: A day of “**Shooting Games**” will be held on Sunday May 15. Registration will be from noon to one PM with shooting starting at one. We will offer “Annie Oakley”, “Chair Shoot”, “Spit in your Eye” and “Progressive Handicap”.

Fun Shoot: “Four Event Challenge” will be held on Sunday June 5 starting with registration from noon to one. All are welcomed. This consists of shooting twenty-five skeet doubles targets, twenty-five 25-yard trap targets, twenty-five 5-stand targets and twenty-five .22 indoor rifle. Two person teams are formed by draw after shooting.

Trap under the Lights: Our annual night shoot will be held on Saturday August 6 starting at 3:00 PM. Games, Annie Oakley under the lights, BBQ and 50/50 drawing.

Club Championship Day: Will be Sunday September 25 starting with registration at 10:00 AM. No entries after 11:30.

Club Christmas Party/Shoot: Will be held on Sunday December 4 starting at noon.

NSSA Registered Skeet Shoot: Will be on October first and second.

Archery Match: Usually held in July. Watch for date.

Please watch the board in the clubhouse for changes or call a point of contact for information.

Membership is still \$20.00 a year for Regular and \$30.00 for Family. The fee for clay targets is \$2.50 per round of twenty-five. The fee for Indoor Range use remains at \$4.00 per person for four hours. Please remember to renew and encourage your friends to join. The club is run by volunteers so if you have time consider offering to help. The Officers and Board appreciate your support.

Safety is our main concern and you are required to wear ear and eye protection.
