Thank you to all the shooters for coming and making this second day 4x50 another sold out shoot.

We had a few shooters that shot both shoots, but mostly it was a new gang for the second day.

Thank you to STU and DOUG our referees who put in 2 long days and a special thank you to JOANNE who spends more time than anyone doing the registration and the score board, and all the NSSA computer work.

See you all in 2016 for the 19th annual.
