

Please find attached the results for the “Dr Jim Allen Memorial” sporting clays shoot held at the Delaware Skeet Club.

74 shooters enjoyed perfect weather and excellent targets set by Dave McDonald, a mix of moderate to moderately difficult presentations over rolling hilly terrain.

Station six had to be eliminated as shot due to the fact that one of machines in the presentation became unlocked and therefore was not throwing a consistent target. Everyone was scored an eight on this station.

This was Delaware’s first NSCA registered shoot and their members kept their machines and trappers working extremely well with no serious delays due to machine breakdowns or out of target problems.

All targets were safe, visible and interesting.

Dougal Graham split the HOA honours with Junior Travis McLeod proving once again that this is a sport that can be enjoyed and mastered at any age.

I found it a pleasure to watch young Briley Henning move her gun like a seasoned pro. Shooting must be a natural gene thing in the Henning family.

NSCA Canada and The Delaware International Skeet Club thank everyone who attended.
