

GENERAL INFORMATION

The management reserves the right to refuse any entry, to change or cancel all or part of the program or adjust the traps at any time, as circumstances require.

The 16-yard and handicap events will be shot using the traditional 5-target per post procedure unless attendance requires this to be changed.

In case of error, it shall be the duty of the contestant in whose score the mistake has occurred to have the error corrected before he or she has fired the first shot at the next position. Otherwise, the score will stand as shown.

Shooters are also reminded to check their scores on the scoreboard. Management will not be responsible for any errors after the purses have been figured.

Lunch and refreshments will be available on the grounds during the events.

There will be no charge for campers at this shoot. The campground will be open on Friday, 5/25/12.

The Montpelier Gun Club grounds are located off the "East Montpelier Road" (Route 2), approx. one-half mile east of the intersection of U.S. Routes 2 and 302. After crossing second bridge over the Winooski River, take right onto Marvin Road. Take next right onto Goodnow Road and proceed to Club on right.

We have a 900-square-foot tent, complete with sidewalls and windows, which provides shelter and warmth in inclement weather and shade and relaxation at other times.

SPECIAL NOTICES

Ties for added money for all events will be decided by forward long run. If still tied, then money will be split.

All juniors and sub-juniors will be charged half price for targets provided no purses or options are played.

HANDICAP MIDDLE 50 JACKPOT
Entry - \$10.00

We will offer a middle 50 jackpot for the handicap events in our regular shoots (not State Shoot) this year. To win the jackpot you will need a 50-straight in the middle 50. If there are no 50-strights then 25% of the entry that day will go to the high score in the middle 50 of the jackpot entrants that day. The jackpot carries to the next regular shoot until there is a 50-straight. If a 50-straight has not been shot by the last shoot, the high middle 50 of those entered that day will win the jackpot. All ties divide.
