WOW !!!!!!!
Congratulation to Bob, Patti and all the help they had for putting on a great event. I conquer with Kevin and Fran. If I can add something it would be that the lunch on the BBQ was also very good. What a location you guys have, I am looking forward to you next shoot, Let make it a FITASC. It was well worth the 4 hours drive. I know that Joe is currently working on the shoot pictures. He should have them out very soon (like tonight). Targets were great!!!!!! Pierre
